P.200. 4 The Clerk stated that under the Rating and Valuation Act 1925 Asst. Overseers duties ceased on 31st March 1927

Some years ago I was able to copy from the Liphitt Parish minute books, the date of each meeting since the first held on December 4th 1894; and a note of the more important Business discussed.

Also the dates on which Parish meetings were held. These are called by the Parish Council chairman when the Parish Council have a matter of some importance on which they consider that the ratepayers of the Parish should be given an opportunity to express their opinions.
