1910 Income Tax Farms Names

The following details of an Income Tax Assessment on the Parish of Luppitt giving the Occupiers and Owners in the parish from 1910 onwards with the amounts of the Assessment for Schedules A and B and in some cases the House Duty; follow on from page 21 of this Vol III.

Vol II P 154

For the beginning of this list refer back to Vol II page 154.

It is assumed that this detail on pages 1 - 2 and 3 was an update of occupiers and owners taking account of changes up to the year 1922 as the Collectors Warrants for each of the years 1910 to 1922 are contained at the end of the book.
