Historic Buildings Survey

Luffitt Packet May 1987 Page 2

There has been a request for information about ancient buildings in the area. The Parish Council has a list of buildings of interest and will see if this needs adding to. A fieldworker for the survey will be in the area from June to September. Fieldworkers will carry a credential card to identify them.

Vol I 58. 140. Vol IV 104

It was decided to put a notice about the survey on the notice boards at Beacon and Luffitt.

Survey See Vol I P 140 Beacon

In November 1988 our Vicar received from E.D.D.C. details of Listed Buildings which included our parish Church and certain chest tombs and headstones in the churchyard.

Listed Building See P 148

A complete list of all Listed Buildings was later received from Dept. of the Environment for 6 East Devon parishes.

Should however the Committee prefer the work being done with all cement instead of cement and lime as mentioned I would agree to do the same for five pounds extra, as from hints received from practical men I find that the ground lime and cement does not

lime thoroughly answer as the ground lime when sweating would swell and throw off the cement

FOOTBALL

Association

Luffitt "Sailors" in Form.

The return game between Luffitt "Sailors" and Whottery took place on Saturday at Luffitt. The visitors were trounced to the tune of 6 to 1. The Whottery men, owing to "decayed teeth" could not hold the ball, although the Luffitt goal underwent narrow shaves. However to even matters a little, one of the "navy" men from near the "lighthouse" obligingly banged the ball through his own goal just to show the visitors how it should be done.

Better luck next time.

Trinity

Copied from "The Day Christ Died" Sent by A Hardwick

Page from page 197. 7 April, AD 30. 12 midnight

By Jim Bishop 1957

See Vol IV P 95

The eleven men closest to Jesus in His ministry to the world were beginning to have a slight understanding of the divine Trinity. They may not have comprehended the separate sides of the mystery - as, indeed, no man would ever understand it except, perhaps, to illustrate it with a figure of speech likening it to fog over an icy lake and pointing to the fact that the ice, the water and the fog are separate entities, but that each one is water. But, for what He told them, they had progressed from the point of thinking of Yahweh as God one and alone, to God the Father and God the Son, and now this evening, to God the Father, God the Son and God the Holy Ghost, equal and indivisible.
